NAMB

To Whom It May Concern:

It is with pleasure that I recommend the outreach ministries of Truckstop Ministries, Inc as an excellent partner in evangelism to the millions of people related to the trucking industry. I have found Joe Hunter to be a man of high Christian standards and a heart for reaching people for Christ. I also appreciate his love for the local church.

Many Southern Baptist churches, associations, and state conventions are currently working with Truckstop Ministries, Inc. I believe this type of ministry is what enables the church to be out where the people are. It is difficult for truck drivers to attend church while they are working. I pray that many Christians and churches consider this outreach opportunity.

Currently the North American Mission Board is using Kevin Kurtz as a national consultant for trucking ministries and he serves as a full-time chaplain with Truckstop Ministries, Inc. at a truckstop in Georgia. Feel free to contact Kevin with any questions at 706 335-3477 or me at 770 410-6354.

May God bless you as you seek to reach your community for Christ.

Sincerely,
