To Whom It May Concern:

It is my privilege to recommend and rejoice in the ministry of Truckstop Ministries, INC. I share with people wherever I go the question...how many churches do you know of who average 12-15 in attendance and see an average of 1 profession of faith per week? This is how God has blessed our ministry at the Petro Truckstop over the last 4 years. We praise God for the awesome things He has done.

Joe and Jan Hunter have been wonderful partners with us in this ministry. Truckstop Ministries, INC. has an excellent reputation and has given great integrity and exposure to our ministries. We have found truckers and their families to be very hungry, hurting, and responsive to this kind of ministry.

We are looking forward to having a permanent chapel on site at some time in the future and we know that God will continue to bless and prosper this ministry. I highly recommend Truckstop Ministries to your church or association.

In His Service,

Tommy Thomas, Missionary
